- Next-day shipping available in popular colors

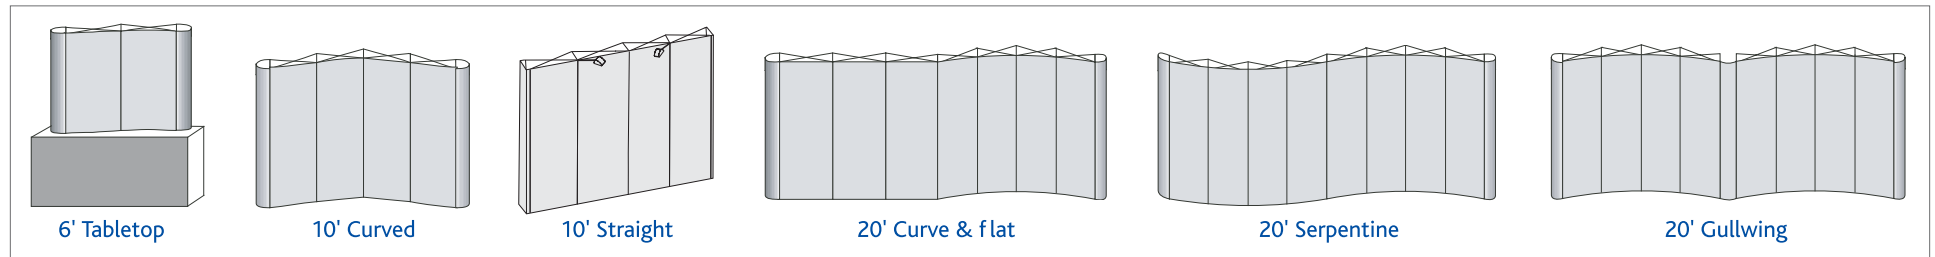

$\frac{3}{8}$ " Square Tubing – Aircraft Grade Aluminum

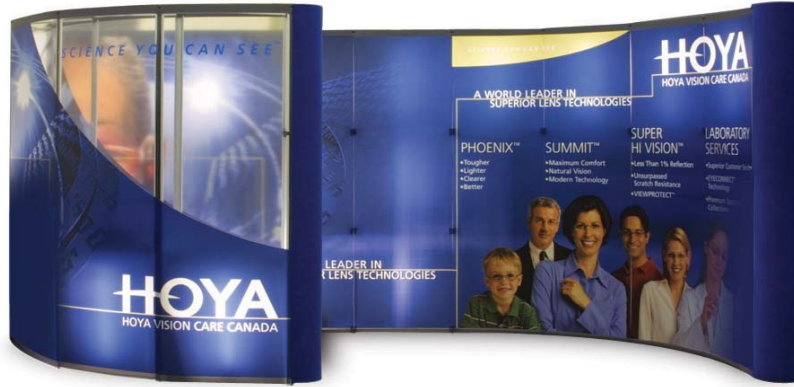

Magnetic Connectors for a Self-locking frame

POPULAR CONFIGURATIONS

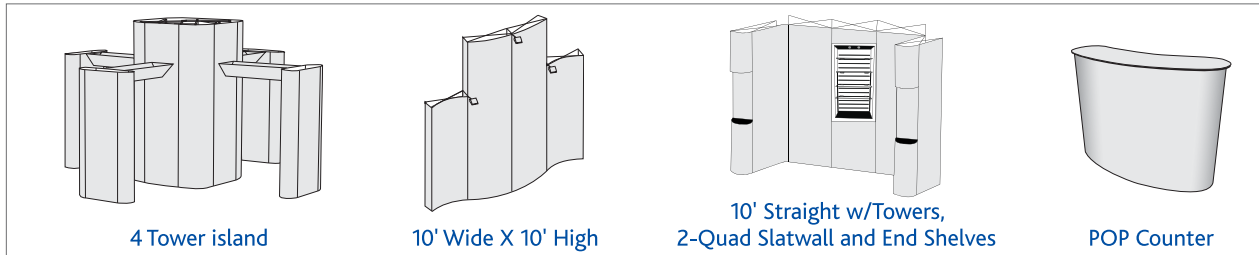

POP Plus

1/2" Square Tubing & 2" Hubs
Strongest System

- Create custom-style exhibits using an economical pop-up frame platform
- Heavy-duty frame is engineered for weight-bearing internal shelving, slatwall and extra-wide shadowless light boxes
- 1/2 inch square aircraft grade aluminum tubing, 2 inch shatter-proof hubs and channel bars make this the strongest pop-up system in the industry
- Supporting "X" members in critical quads for added rigidity
- Integrated leveling feet for uneven show floors
- Self-aligning magnets on panels create a seamless look
- Field-repairable frame comes with a no-questions-asked lifetime guarantee

POPULAR CONFIGURATIONS

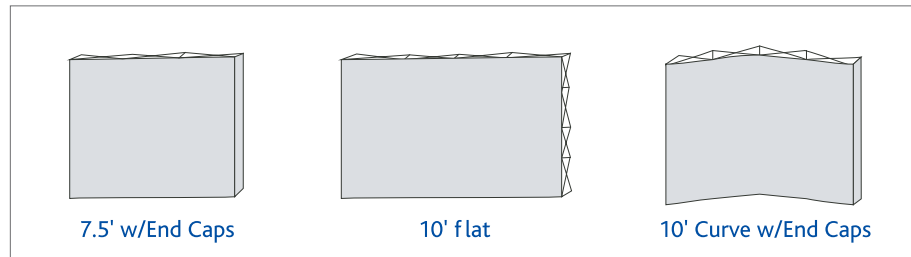

FabricPOP

- Brilliant dye-sublimated PolyFlex panel
- Instant setup
- Huge impact
- Lightweight system with graphics that pack a lot of punch!
- Wrinkle-proof seamless fabric visual comes attached to the Pop PLUS frame
- Packs into a lightweight nylon duffel bag or into a rotationally-molded shipping case
